Re: Well Logs From the North and South Burbank Unit Wells

Mr. Peckham:

To follow-up on our January 18 meeting, in Shidler, attached are copies of well logs in the area of interest (southeast portion of the North Burbank Unit and the Northwest portion of the South Burbank Unit). I will attempt to find other well logs on the South Burbank Unit to supplement the four logs in this transmittal. In the meantime if you could evaluate these; I will contact you to discuss the results, and schedule a meeting.

Please contact me if you have any questions or wish to discuss any related issues; (805) 963-9761.

Sincerely,

  
K. R. Stamper
